United Nations, New York, 1st May 2009

Dear Sir/Madam,

It is my pleasure to recommend Ms Natalia Kulichkina as a highly professional English-Russian interpreter and translator.

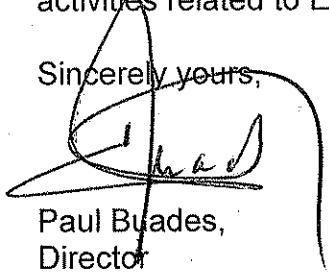

Ms Natalia Kulichkina assisted me with English-Russian interpretation during the seminar "UN Business Seminar" held on the 28th of April, 2009 at the Chamber of Commerce and Industry of the Saratov Region in Saratov, Russia, where I made a presentation on United Nations business opportunities for Russian and local vendors. During the event, I have been consistently impressed with Natalia's professional and positive attitudes.

During the presentation and questions/answers session, Natalia displayed an excellent command of English, an ability to work with large volumes of new and complex information, with outstanding communication skills and a responsible and serious attitude to her work. In addition, Natalia succeeded in performing fluent and comprehensive interpretation of my presentation from English into Russian. It should be noted that Natalia prepared thoroughly before the seminar, working with new vocabulary and clarifying all the issues of the presentation in advance to ensure an exact translation.

Furthermore, Natalia appeared as a very intelligent, sociable, and friendly person devoted to her job and always ready to help. During my stay in Saratov, Natalia assisted me with all related activities and demonstrated skills in history and city tour.

Thus, I strongly recommend Ms Natalia Kulichkina without reservation for any professional activities related to English-Russian interpreter and translator.

Sincerely yours,

Paul Buades,
